## An Appeal for Helpless Orphan Children

There is help and assistance available for all types of **Distressed People** in the society. But perhaps there is no organization that can boast of helping the helpless orphan children for their complete development and making them into respectable and responsible citizens. In order to give these orphans a future and save them from the life of misery, crime and destitution Dr. B. R. Ambedkar Educational and Cultural Trust seeks to launch a scheme under which it will provide food, clothing, shelter, education and health to children between ages 5-10 years, who have been deserted or orphaned, and make them self-reliant in a 12 year time frame.

Besides education, the scheme will also provide them employment and transform them into responsible citizens of the country.

To make this scheme effective and successful, Dr. B. R. Ambedkar Educational and Cultural Trust appeals to all citizens, NRIs, Organisations and Institutions to extend their support in the shape of sponsorship for complete development of these helpless children.

### The mode of sponsorship is given below:

1. You can sponsor an orphan child for its complete development by paying Rs. 30000/- annually for a period of 12 years.
2. You can also sponsor an orphan child by paying Rs. 2500/- for minimum one month or as many months as you wish.
3. You may make a total payment of Rs. 3,00,000 in one installment for complete development of an orphan child for a period of 12 years.
4. Two or more individuals can sponsor a child jointly.

All sponsors will enjoy the Tax benefit under Section 80G of Income Tax Act.

Dr. B. R. Ambedkar Educational and Cultural Trust looks forward with great interest to receiving sponsorship from generous citizens living in India and abroad.
